

**Des oiseaux au jardin**

A small, brown and white speckled bird, possibly a sparrow or similar ground-dwelling species, is standing in a field of green grass. The bird is positioned in the center-right of the frame, facing slightly to the left. Its plumage is intricately patterned with dark brown spots and streaks on a lighter, buff-colored background. The grass is a vibrant green, with some blades appearing slightly out of focus, suggesting a shallow depth of field. The overall scene is bright and naturalistic.
